

Bidding Company Name: Data Imaging Solutions, Inc.

Bid

Bids must include prices for each line item. Prices for microfilming must be quoted to three decimals. Prices for incidental items will be evaluated for reasonableness only.

Bid prices must include at no additional charge:

- pick-up of data media from customers in Dane County.
(Customers outside Dane County are responsible for delivery of their data to the vendor.)
- delivery of completed work anywhere within the State of Wisconsin by courier, UPS or the postal service.
- no minimum charge per order
